

Giancarlo Riotto Honorary Commander United States Air Force:

I am equally proud and honored to announce my selection for a special program with the United States Air Force that is reserved for civilian leadership. I was sworn in as an HCC Commander at the United States Joint Military Base McGuire - Dix - Lakehurst with the Department of the Air Force on August 2, 2024.

The program is a joint venture between military and civilian leaders that pairs an HCC Commander with Military Commanders at the Squadron, Group and Wing levels. The program is designed to partner and work with civilian leaders who become HCC Commanders, and to increase awareness of the missions, policies, and programs of the United States Air Force and the Department of Defense.

I have been assigned to the United States Air Force 87th Medical Support Squadron. The picture below is from the HCC Commander induction ceremony with the Base Commander. I look forward to sharing my experiences along with periodic updates from the Joint Military Base McGuire - Dix - Lakehurst. God Bless American!

“Aim High ... Fly-Fight-Win”
 Official U.S. Air Force Motto

Best regards,

Giancarlo G. Riotto
